**PETITION TO ACCEPT UNINTENTIONALLY DELAYED PAYMENT OF
MAINTENANCE FEE UNDER 37 C.F.R. § 1.378**

Registrant respectfully requests that the above-identified patent be reinstated after unintentional delay in payment of a maintenance fee. Any petition to accept an unintentionally delayed payment of a maintenance fee filed under 37 C.F.R. § 1.378(c) must be filed within twenty-four months after the six-month grace period provided in § 1.362(e). The above-referenced patent issued on November 10, 1998, and the six-month grace period for payment of the 7.5 year maintenance fee ended on November 10, 2006. Thus, the deadline for filing a Petition to Accept Unintentionally Delayed Payment of Maintenance Fee is November 10, 2008. Registrant, therefore, submits that this Petition is timely filed on July 22, 2008.

The entire delay in payment of the 7.5 year maintenance fee, including period from Registrant's discovery that the maintenance fee was not timely paid until payment of the maintenance fee was due, was unintentional, per the attached Declarations from the two inventors listed on the above-referenced patent, ALEJANDRO S. MCELROY and JASON RAUCHFUSS.

Registrant asks that it be afforded the maintenance fee Rules as set forth in 37 C.F.R. § 1.378(a). Pursuant to § 1.378(c), Registrant submits herewith the required maintenance fee of \$1,180.00 and the surcharge of \$1,640.00 as set forth in Section 1.20(i)2.

12/12/2008 SSANDARA 00000005 08705652

01 FC:1599
4346108v1

2820.00 OP

Registrant respectfully requests that the Examiner accept the maintenance fee together with surcharge in view of the unintentional delay of Registrant and withdraw any Notice of Patent Expiration.

Please charge any fees that may be required for the processing of this Petition, or credit any overpayments, to our Deposit Account No. 03-1721.

Respectfully submitted,

C. Hunter Baker, M.D., Ph.D.

This Acknowledgement Receipt evidences receipt on the noted date by the USPTO of the indicated documents, characterized by the applicant, and including page counts, where applicable. It serves as evidence of receipt similar to a Post Card, as described in MPEP 503.

New Applications Under 35 U.S.C. 111

If a new application is being filed and the application includes the necessary components for a filing date (see 37 CFR 1.53(b)-(d) and MPEP 506), a Filing Receipt (37 CFR 1.54) will be issued in due course and the date shown on this Acknowledgement Receipt will establish the filing date of the application.

National Stage of an International Application under 35 U.S.C. 371

If a timely submission to enter the national stage of an international application is compliant with the conditions of 35 U.S.C. 371 and other applicable requirements a Form PCT/DO/EO/903 indicating acceptance of the application as a national stage submission under 35 U.S.C. 371 will be issued in addition to the Filing Receipt, in due course.

New International Application Filed with the USPTO as a Receiving Office

If a new international application is being filed and the international application includes the necessary components for an international filing date (see PCT Article 11 and MPEP 1810), a Notification of the International Application Number and of the International Filing Date (Form PCT/RO/105) will be issued in due course, subject to prescriptions concerning national security, and the date shown on this Acknowledgement Receipt will establish the international filing date of the application.
